3) The ideological, political, organizational and military preparation of organization for carrying Rainy Seasonal Strategic Offensive has been completed or is being completed. Meeting discussed that.

Cadres have achieved ideological preparation on some points through rectification movement on some questions, anti-clique struggle, anti-dogmatic struggle and study conferences. In order to continuously carry that ideological struggle, the movement of transforming thought, correcting working style and learning from Comrade Siraj Sikder must be carried throughout the whole Rainy Seasonal Strategic Offensive.

Our correct political line, high consciousness of people, their militancy against government, isolation of enemy from people, enemies’ own internal contradiction, isolation of India and Soviet internationally, line of National Liberation Front to unify broad masses, line of unification of genuine proletarian revolutionaries, bankruptcy of various forms of revisionists and reformists and huge propaganda from our side have made our wonderful political preparation.

Struggle against faction and smashing it, strengthening single center, eliminating dirt and taking the green, organizational consolidation, alleviation of shortage of cadres, formation of National Liberation Front, work in wide range of areas one after another without any gap, work in cities and countryside, secret working-method, combination of open work with secret work and intellect of functioning organization in developer method have made wonderful preparations.

Formation of Supreme Commanders' Council of the Armed Patriotic Force, division of the force into various sectors, military formation, and presence of experienced military leadership in various regions, evaluation of strategic situation, presence of arms and guerrillas, Armed Propaganda Team and military thoughts expressed through important documents have made wonderful military preparations.

4) Important documents are: Circular of the Chairman of Supreme Commanders' Council of the Armed Patriotic Force of East Bengal, Decision given by Comrade Shahin Alom (an organizational name of Comrade Siraj Sikder—CPMLM-BD) after meeting with In-Charge comrades of the Special Military Region, Fifth decision approved by In-Charge of Bureau No.1, Decision given by In-Charge of Bureau No.1 after meeting with In-Charge comrades of the regions under 1-A Sub Bureau and Some Points on Economic Operation.
